

Grupo Antolin says goodbye to Cristina Gutiérrez before going to Dakar

Burgos, December 21, 2017- Grupo Antolin, one of the world's largest manufacturers of automobile interiors, says goodbye to Cristina Gutiérrez before starting the challenge of his second Dakar Rally.

Ernesto Antolin, Chairman of Grupo Antolin; María Helena Antolin, Vice Chair of the company, and the Mayor of Burgos, Francisco Javier Lacalle, attended the event held in Principal Theater of Burgos (Spain).

“Grupo Antolin is proud to continue contributing to the national and international recognition of Burgos and Spain. We believe that we can achieve that goal by supporting Cristina's project. She is showing that with effort and enthusiasm you can achieve all the goals you set for yourself in life. We believe that she represents many of the principles that have brought us to where we are today, such as hard work, humility, long-term commitment, excellence and a passion for achieving objectives”, said Ernesto Antolin, Chairman of Grupo Antolin.

This sponsorship is an example that Grupo Antolin believes in people and the ability of the young to overcome challenges. This commitment to talent is one of the driving forces that has led Grupo Antolin to become one of the largest manufacturers of components in the world.

Cristina Gutiérrez wanted to express her gratitude to Grupo Antolin: “We both come from the same place, Burgos, and have both come a long way: Grupo Antolin is leader of the automobile components industry. Its support has been decisive in my career as a driver. It has believed in my from the start when going to the Dakar was only a dream and the dream has come true thanks to its sponsorship”.

Grupo Antolin is the main sponsor of the sportswoman, who will travel to Peru in early January to compete in the 2018 edition of the Dakar, which starts on January 6 and ends in Argentina on the 20th.

About Grupo Antolin

Grupo Antolin is one of the first car interiors manufacturers at a global level, and has four business units: overheads, doors, lighting and cockpits. The company is one of the providers for large car manufacturer and is present in one of three vehicles made in the world. The company has 149 factories in 26 countries, employs 26,000 people and has a business volume of €5,247M in 2016 (this figures include the Business Unit of Seats sold in April 2017).
